

In celebration of the bold and playful stories that have spanned from Marley to Chaplin, and even Rotten himself – Thirteen channels our neighbourhood's special lore and adds a little gothic drama.

Inspired by storied happenings, our drinks and small plates champion the familiar and the novel. A collection of contrasting ingredients and techniques, menus celebrate world flavours from nearby and far-flung places.

A fierce place found at the beginning of the one hundred yard Denmark Street, Thirteen is exclusively for everyone, while our underground haunt dial8 is for everyone else.
