

Thirteen

In celebration of the bold and playful stories that have spanned from Marley to Chaplin, and even Rotten himself, Thirteen at Chateau Denmark channels Denmark Street's special lore and adds a little gothic drama.

Inspired by storied happenings, our drinks and Japanese inspired dishes champion the familiar and the novel. A collection of bold techniques and rich ingredients, menus celebrate flavours from nearby and far-flung places.

A fierce place found at the beginning of the one hundred yard Denmark Street, Thirteen is exclusively for everyone, while our underground haunt dial8 is for everyone else.
